

Indoor Rimfire Fun Match

February 22, 2009

By Ed Newberry

On Feb. 22, 2009 Don Morphy and I held an indoor rimfire silhouette match at our indoor range. We had almost a full complement of shooters with 39 out of 40 slots filled. Thanks to Don Morphy, Mark Andersen, Ron Brady, and Jim Sloper of the Powder Keg Shooters Supply where the signup sheet was located.

This year scores were noticeably lower in both iron sights and scopes. This was possibly due to lack of practice, and on the scope shooters three local rimfire silhouette shooters gave the shoot a pass to give others a chance to win. I beat my little brother Al again, but he was a bit under the weather and hadn't had as much practice.

High scores were:

- **Iron Sight:** Aimee Debert 15, Dora Mackay 15, Ryan Allport 13, Ron Fraser 12, Tom Lintelow 12, Ties were broken by scoring backwards to the first miss.
- **Optic Sights:** Don Morphy 23, Wade Lehto 18, P.J. Reimer 17, Jim Sloper 16, Chris Chave 16.
- **Draw Winners:** Ed Newberry (rifle) and Diana Thompson (brick of .22 ammo).

Thanks to our score keeper Bob Brown and range officers Don Morphy, Jim Sloper, Ron Brady, Norm McRae, and myself. A big thank you to my wife Susan - the chili and cookie lady - for feeding and watering us. And last but not least a big thanks to Mark Andersen and the Powder Keg for providing the rifle and brick of ammo at such a good price.

The club made about \$270 from the shoot and food service.
