On January 31, 2016 a full slate of shooters showed up for this match.
It was good fun for all.
Sera, in her first ever pistol match captured second place in optic class
and then took top honors in the high lady optic class. Well done Sera!
Although not her first time shooting, but first time in one of our pistol
matches, Junyan Woo took the top score trophy in top lady – iron sight class.
Congratulations Junyan!
