Match Winner (With a Revolver) Don Schmok took high score for the day. The little grudge match between revolver owners and semi-auto owners goes back and forth all the time. As a side note: That is four center fire pistol shoots in a row with revolvers on top.

On December 3rd 2017 a full slate of shooters showed up for this match.

It was good fun for all.

Two revolver shooters from Salmon Arm dropped in to say hello and to show off a little.

The semi-auto class was close and hard fought all day. A cowboy shooter with a semi-auto ended up on top. Go figure.

The big winner of the day was a Kamloops man, Greg Morrow, took home the prize by draw. He was very happy to have his ticket in hand when the draw was made for F.N. USA manufactured semi-auto pistol. He is now the owner of a brand new FNH-FNS chambered in 40 Smith and Wesson. Congratulations to you Greg.

Thank you all for coming out to these shoots. Good fun, good people.

Thanks to Randy and Rob at Universal Reproductions for our fun targets.

Thanks to Corey Bonthoux – the brain child of the new bugs target (gotcha)
