

Introduction to Rimfire PRS

(Rimfire Precision Rifle Series)

KTSA Long Range: Sunday May 12, 2019

starts at 8:30 Am (5 hr event)

Fee: \$10 (non members welcome)

What do you need?:

Rimfire Rifle in 22 LR with a scope and 200 rounds of ammo.

If you don't have a rifle, there will be several you can borrow.

Hearing and Eye Protection

What will we shoot?: Steel targets at ranges of 50 to 200 metres off of various props:(barricades, tires, tank trap, etc)

For people new to the sport, we will offer some basic instruction and provide coaching. Similar to the following: Canadian Rimfire Precision Series, Action Rifle Rimfire, NRL22, etc
