This Annual General Meeting is called for the purposes of reviewing and adopting the:

President's Report - 2018

Financial Reports - 2018

Director Reports - 2018

Election of Board Members (if required) 2019 - 2020

Meeting Board of Directors – 2019 - 2020

Establishing Membership Fees for 2020

Future Club Development & Improvement Discussions

If you have not renewed your KTSA club membership for 2019, we have a fillable & printable membership application on the web site (ktsa.ca). Your signature &/or the signatures of family members must be added. This is the seventh year you have been able to do this. Try it, you might like it. Most of our members use this system and like how it works. If you choose, you can print a blank form and fill it in the old fashioned way. (www.ktsa.ca website)

Take your completed application and membership card(s) to the Powderkeg Gun Shop with cheque, money order or cash. If you choose to mail in your application, please include your cheque or money order and membership card(s). Do not send cash in the mail. Mail in applications will be processed the same or next day, as received. Renewed membership cards will be returned to you with an outdoor range key via Canada Post.

If you attend the 2019 Annual General Meeting you will receive information about the club and the many improvements made in the last year. Information for future plans will also be made available. If you have an idea the club would be interested in or a request for some service not yet offered or if you wish to help out in some way, please attend this meeting.

An election of board members this year will not be necessary. Thirteen incumbents and/or nominees have been fielded for the 13 positions on the board.

KTSA – 2018 - 2019  
Directors

If you care about your gun club, you should be there.  
The world is run by those that show up!!!
